

Bulldog Band Booster Chaperone Guide

Thanks for volunteering to help chaperone the AHS band at their upcoming event! Here is what we need from you.

What to bring:

- Sunscreen for students/yourself (outdoor events only)
- Water bottles for students/yourself
- First aid kit (in AHS band room)

What to do:

- Ride one of the buses to and from the event. We need chaperones on every bus.
- Help students load/unload equipment from buses or the truck
- Help students maintain respectful behavior. Students are instructed to treat chaperones and volunteers with respect. Let students know when their behavior reflects otherwise. Talk to Mr. Sault if you have particular trouble with a student.
- Help maintain student welfare: accompany them to the restroom, give them water if they are fatigued, give an injured student a band aid, etc.
- Remain with the band at all times during the event. Mr. Sault will occasionally and necessarily need to leave the group.

Clarifications:

Chaperones are a necessity to functioning appropriately and professionally at band events. Although you may not be actively “doing something” for the entire duration of the event, your participation is critical for success in case of emergency. If you see an opportunity to be helpful beyond the responsibilities above, we encourage you to take the opportunity.
