

Mighty Bulldog Band Booster Photo, Video, Social Media Release

Dear Parents and Guardians,

This is a parental consent form to both inform you and to request for your permission to post and share your child's photos/videos and to be published/used on the Booster Organization website and/or our social media page.

As you are aware, there are potential dangers associated with the posting and sharing of your child's photos/videos. These dangers have always existed; however we as a booster organization **DO WANT TO CELEBRATE YOUR CHILD'S HARD WORK**. And also to give thanks to any person(s) or business that sponsors and donates to make the band have a successful year. The law requires that we ask for your permission to use your child photo/video for social media and website use. If you do decide not to precipitate in, we will do our best to make sure your child is not noticeable in any photos or videos. However group pictures and videos such as Marching Band Competition and Concert performances will be used to show the current band members on our websites and social media.

We as a booster organization will not give out your students personal information to anyone!! Such as student name, grade, address. Even if it is for a scholarship.

Thank you, and we hope you'll help us improve our website and social media use!

Sincerely, Your Mighty Bulldog Band Booster Organization.
